We're not talking trash – we're cleaning it up! In the 2015 FIRST® LEGO® League TRASH TREK Challenge, more than 233,000 children ages 9 to 14 from over 80 countries will explore the fascinating world of trash. From collection, to sorting, to smart production and reuse, there is more to your trash than meets the eye. Join FIRST LEGO League teams on a Trash Trek to discover the hidden (or not so hidden) world of trash!
